Fokom izrade pojedina da nastavi poslovanje, poslovanja Društva i da	da obelodani, ukoliko je to princip nastavka poslovanja k	koristi kao osnovu za rači	unovodstveno izveštavanje, osim	

Naša odgovornost je da, na osnovu izvršenih ispitivanja, izrazimo mišljenje o prikazanim pojedinačnim finansijskim izveštajima. Da reviziju planiramo i izvršimo na način koji omogućava da se u razumnoj meri uverimo da pojedinačni finansijski izveštaji ne sadrže materijalno značajne pogrešne iskaze. Razumno uveravanje je visok nivo uveravanja, ali nije garancija da će revizija izvršena u skladu sa MSR-ISA uvek otkriti materijalno značajne pogrešne iskaze kada oni postoje.

Revizija uključuje sprovođenje postupaka u cilju pribavljanja revizijskih dokaza o iznosima i obelodanjivanjima datim u pojedinačnim finansijskim izveštajima. Izbor postupaka je zasnovan na revizorskom prosuđivanju, uključujući procenu rizika materijalno značajnih pogrešnih iskaza u pojedinačnim finansijskim izveštajima, nastalim usled kriminalne radnje ili greške. Prilikom procene rizika, revizor razmatra interne kontrole koje su relevantne za pripremu i poštenu prezentaciju pojedinačnih finansijskih izveštaja, u cilju osmišljavanja revizijskih postupaka koji su odgovarajući u datim okolnostima, ali ne u cilju izražavanja mišljenja o efektivnosti internih kontrola Društva. Revizija takođe, uključuje ocenu primenjenih računovodstvenih politika i značajnih procena izvršenih od strane rukovodstva, kao i ocenu opšte prezentacije pojedinačnih finansijskih izveštaja.

#### Ostala pitanja

Reviziju finansijskih izveštaja za 20 godinu obavilo je isto društvo za reviziju i u svom Izveštaju od 08.06.20 godine dato je pozitivno mišljenje na finansijske izveštaje za 20 legodinu.

U Beogradu, 07. Jun 20. . . godine
